

Celebrate Conservation Week

Come and visit Waireinga / Bridal Veil Falls

This is a wonderful reserve with a spectacular 55 m waterfall and incredible rock formations. Learn more about the area's history, its geology and its natural values. Find out from the DOC rangers what's being done to improve the health of the forest and to protect its vulnerable wildlife.

Te Papa Atawhai (DOC) rangers will be there daily between **1pm and 3pm from Wednesday 16 to Sunday 20 September** to host free guided walks.

Directions: On the Hamilton to Raglan Rd, turn left after Te Uku and follow the sign posts to Bridal Veil Falls (1 hour from Hamilton).
