2012 Price List

Te Whangai Trust is social and environmental enterprise that employs long term unemployed youth and people at risk. Our main goal in establishing the nursery was to assist at-risk people by employing them in a structured, safe work place environment providing life and work skills and educational opportunities. Every tree you purchase helps enskill people in the community to find the courage and strength to make a better life for themselves and their whanau.

Please be advised that all plants priced below are for PB3. We do have PB3/4 and PB8 if required. All plants are hardened to the open elements ensuring low mortality rates when planted out.
