

WETmak

WETLANDS MONITORING AND ASSESSMENT KIT

TRAINING DAY

Are you involved in restoring a wetland? Do you work with volunteers who do?

You may like to come along to the WETMAK training day on Tuesday **23rd October 2012** at **Lake Ngaroto Sailing Club Rooms**. Facilitated by the NZ Landcare Trust.

Places are limited to 12 people.

To book, please register on-line:
www.landcare.org.nz/wetmak/WETMAK-events

For further information, contact Nardene Berry or Melinda Dresser at the NZ Landcare Trust phone 0800 526 322 or email; wetmak@landcare.org.nz

You will leave the day:

- Understanding the value of wetland monitoring
- Excited about the prospect of monitoring your wetland or a wetland in your community
- Confident in application of at least one module
- Better equipped to access your wetland in a safe manner
- Aware of some of the equipment that is useful for wetland monitoring
- With a draft mini plan for a wetland you are involved in
- With a complimentary hard copy of WETMAK

For further information and to download the kit - visit: www.landcare.org.nz/wetmak

Produced as part of CEF 023 Community Wetland Restoration, funded by the Ministry for the Environment.
