

Clean up our Beaches and support our Wildlife

The Waikato Branch of the NZAEE invites you to
participate in a Beach Cleanup
In support of Maui Dolphin Day

When: Saturday 2nd March 2013 10 – 11 am
Where: Raglan, Whaingaroa, meet at the skate park,
Kopua Domain

This isn't just a Beach Cleanup –
Together we will audit the waste and have an
opportunity to take action!

Let's build resilient networks of passionate people
working together for a brighter future.

“Toiora te Moana - Toiora te Tangata,
Healthy Seas - Healthy People”

The New Zealand Association for Environmental Education is a national, non-profit organisation that promotes and supports lifelong learning and encourages behaviours that lead to sustainability for New Zealand/Aotearoa. NZAEE is an independent voice for environmental education, empowering people to respect and nurture the environment, recognising its link with the social, cultural and economic aspects of sustainability.
