

The Future of Lake Karapiro

Do you live by Lake Karapiro?

Do you love rowing, and skiing on the Lake?

Do you enjoy fishing or swimming in it or cycling beside it?

You might have noticed this summer's poor water quality as a red algal bloom arrived for the first time.

Do you wonder what it means, and what can be done?

Do you want to enjoy the Lake in future?

Are you concerned?

If so, we welcome you to attend this information evening explaining what is happening to the lake now, and into the future.

Cambridge Town Hall 7 pm ,

Thursday 19th March.

For more information or to register interest, contact Angus, apr@xtra.co.nz or Mike 022 1088 090
