*Kia ora te whanau o Fairfield,*

So WASSUP?

**2015 Neighbours Day Aotearoa** is scheduled for March 28th and 29th. It's an opportunity to connect with our neighbours and build safer more supportive communities. Activities can range from dropping over for a chat to organising a street party/event. Visit **neighboursday.org.nz** for more information. On the topic of neighbours visit **neighbourly.co.nz**. Neighbourly is a website network that again, aims to build safer connected communities. At present we have 56 members on the Fairfield Neighbourly network which is a great start. Let's all get connected.

On Monday 30 March 1pm we are hosting a free **Para Kore (Zero Waste) Waste Reduction Workshop** here at Te Whare o te Ata 60a Sare Cres. Waste and rubbish management is a major issue and we can all do our bit to help. Contact us for information or to register your attendance.

**Te Whare O Te Ata 2015 AGM** is scheduled for 5.30pm Tuesday April 14th. All are welcome. Visit our updated website to find out what's happening here at Te Whare and other community activities.

We have some space available and are **calling on any Youth and Community Groups** that may need a venue to run their weekly positive activities. Contact us for more information.
