The mission of **Te Kauri-Waikuku Trust** is to restore Te Kauri Park to a complete living forest, able to nurture and sustain our native wildlife, including the tui.

A healthy forest, full of the sights and sounds of native species, is a precious place for future generations to enjoy.

By sponsoring bait stations at Te Kauri Park you will help us carry out the essential eradication of the destructive rats, mice, possums and mustelids in this forest.
