

Rethink Waste

Date: Saturday 12th September
Time: 10am-2pm
Location: Panmure Community Centre
7-13 Pilkington Road Panmure (next to library)

Tamaki WRAP and PERA Community Garden have come together to create a fun and educational event that will make you think twice about waste.

Get educated and inspired with practical and affordable ways to reduce your waste. We will have up-cycling ideas, local art, demonstrations on DIY beeswax wraps, eco cleaning products and bokashi composting. And of course all the information you need to know about waste, changes to waste and tips from our local experts.

For more information please go to Facebook Tāmaki WRAP
or www.tamakiwrap.org.nz

This event is supported by Auckland Council
