We have made it through Winter and with day-light savings already started it's great to have some fine warm weather.

We have an active end of year including **Christmas @ Fairfield Park** scheduled for **Thursday December 10th**. Posters will be out soon.

Other projects here at Te Whare for the last quarter of the year include a **Computers in Homes Course for Single Parents** from October 19th to November 2nd, and a continuation of the **Fairfield Young Engineers Program** Fridays After-school for Term 4. The **Fairfield Interagency Team** also continue to meet here at Te Whare 1pm the last Thursday of each month. All are welcome to this networking and information sharing opportunity.

**English Language Classes** will continue on Tuesdays and Thursdays 9.30-11.30 for term 4, and we will also be providing **Supported Computer Access** in our lounge on Monday and Friday mornings 10am-12pm with volunteers from the Waikato Linux (Computer System) Users Group providing their knowledge and skills to help.
