Dear Sir / Madam

MAUNGATAUTARI SCENIC RESERVE MANAGEMENT PLAN

Together with Ngāti Korokī Kahukura we are reviewing the Maungatautari Scenic Reserve Management Plan (RMP).

A RMP prioritises actions, works programmes and budgets for the next 10 years. It includes concept and development plans and identifies the appropriate mix of uses and activities within each reserve and guides their day-to-day management.

Maungatautari has unique opportunities and issues that require different use, management and protection. The new RMP needs to address these concerns, reflect the significance of the *Ngāti Korokī Kahukura Claims Settlement Act 2014* and echo wider iwi customary and community interest.

As Te Hapori o Maungatautari (members of the wider community connected with Maungatautari) we invite you to provide feedback on what you think the Maungatautari Scenic RMP should include.

Your feedback will guide the preparation and direction of the draft RMP that will go out for wider public consultation in 2016.

More information, including the current RMP is available at www.waipadc.govt.nz/maungatautari.

Tell us what you think by 1 March 2016:
