

Waikato Environment Centre invites you to a free workshop on electric bikes.

**Join Waikato Environment Centre, MeloYelo and electric bike expert Alex Kendon for a free workshop on July 25:**

- Learn about the benefits of electric bikes
- The pros and cons of buying a new electric bike versus converting your existing bike
- Evaluate whether your bike is suitable for converting to electric
- What the conversion process involves and what tools you need
- Doing your own conversion, versus getting expert help
- New electric bikes: An overview
- Q&A
- Test rides

**What:** An educational workshop with opportunities for test rides

**Where:** Waikato Environment Centre, 242 Peachgrove Road, Hamilton

**When:** July 25, 5:30 – 7:00pm

**RSVP:** By July 22
